TPlease note that to ensure the smooth running of the event all leaders over the age of 18 may be required to help with central camp functions at some points during the week. Where this is necessary, jobs will be assigned fairly and distributed evenly throughout the week. At any one time, there will always be some members of your leadership team free of central camp duties so that they may give their attention to the young people in your camping group.

Please indicate by placing a number in the relevant box how many campers you wish to bring to **Charnwood 2006**.
(Ages refer to the person's age on the 5th August 2006)

Please note that the Camp Wardens reserve the right to refuse your booking if they feel that the ratio between adults and children is not appropriate for a camp of this nature. The camp wardens will contact you directly if they have any concerns.
